

Panthika Tandel

ABOUT ME

I am a simple middle-class Hindu girl. I have completed BCA and work in Shivay Jewellers in Sachin.

I want to continue with my job even after the marriage. I am looking for someone to be with me as a friend forever.

I prefer to marry someone who doesn't smoke and drink. However, it is okay to have a drink occasionally, but definitely not a smoking habit.

An ideal person for me is someone who is settled in life and cares about his family well.
